LEADING PEOPLE INTO THE LIFE-GIVING PRESENCE OF GOD

FROM OUR PASTORS:

The heartbeat of Hope Church is to lead people into the life-giving presence of God. One of the primary ways we accomplish this mission is through serving God and His people. Jesus said in Mark 10:45 “for even the Son of Man did not come to be served, but to serve.” In that same heart and spirit, we endeavor to live the example that Jesus has set in front of us throughout the scriptures of His love for people. This campaign is about building hope in the hearts of people both locally and globally.
