We will establish deep partnerships with existing ministries in Spartanburg and Greenville counties to serve children and those most vulnerable.

GLOBAL OUTREACH \$100K

We will partner with Missionaries & Local Churches in Nicaragua and Romania in the construction of houses, churches, and providing care for the poor.

CAMPUS EXPANSIONS

SIMPSONVILLE CAMPUS ENLARGEMENT \$750K

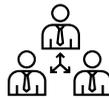

Due to the growing number of families attending the Simpsonville Campus, it is crucial to enlarge the Worship Center (from 320 seats to 650), as well as, create additional room in the Nursery and Preschool to serve more kids.

PLANTING OF 3RD CAMPUS \$250K

We plan to begin interest meetings in early Summer for a Greenville Campus to be launched in late Fall 2020 or early 2021. We have a Year-One operating budget to include personnel and equipment necessary to "lead people into the life-giving presence of God" in Greenville.

OUR GOAL: \$1,400,000

LEADING PEOPLE INTO THE LIFE-GIVING PRESENCE OF GOD

FROM OUR PASTORS:

The heartbeat of Hope Church is to lead people into the life-giving presence of God. One of the primary ways we accomplish this mission is through serving God and His people. Jesus said in Mark 10:45 “for even the Son of Man did not come to be served, but to serve.” In that same heart and spirit, we endeavor to live the example that Jesus has set in front of us throughout the scriptures of His love for people. This campaign is about building hope in the hearts of people both locally and globally.
